is accredited by the GCC Accreditation Center (GAC) in accordance with the recognised International Standard ISO/IEC 17025:2005:  
"General requirements for the competence of testing and calibration laboratories"

This accreditation demonstrates technical competence for a defined scope, as detailed in and at the locations specified in the schedule to this certificate, and operation of laboratory quality management system (refer to joint ISO-ILAC-IAF communiqué date 8 January 2009).

The Schedule to this certificate is an essential accreditation document and from time to time may be revised and reissued by the GCC Accreditation Center. The most recent issue of the schedule of accreditation which bears the same accreditation number as this certificate, is available from the GAC website [www.gcc-accreditation.org](http://www.gcc-accreditation.org)

The accreditation is subject to continuing conformity with GAC Accreditation requirements. The absence of a schedule on the GAC website indicates that the accreditation is no longer in force.

**Date of accreditation is from: 24 August 2017**

**Expiry date: : 23 August 2019**

The GAC internal project number is: AC 0013-1
