is accredited by the GCC Accreditation Center (GAC) in accordance with the recognised International Standard ISO/IEC 17020:2012: "Conformity assessment -- Requirements for the operation of various types of bodies performing inspection"

This accreditation demonstrates technical competence for a defined scope, as detailed in and at the locations specified in the scope of accreditation to this certificate, and management system requirements that are necessary for it to consistently deliver technically valid inspection results. (refer to joint ISO-ILAC-IAF communiqué September 2013).

The accreditation scope to this certificate is an essential accreditation document and from time to time may be revised and reissued by the GCC Accreditation Center. The most recent issue of the scope of accreditation which bears the same accreditation number as this certificate, is available from the GAC website www.gcc-accreditation.org

The accreditation is subject to continuing conformity with GAC Accreditation requirements and the status of accreditation can be checked in the GAC's website to confirm the validity of this accreditation.
